Gabriel Updates

News and updates for all those who use Gabriel Software in their ministry

Diocese of Green Bay

July 27, 2020

Good Afternoon!

We have a couple of items we would like you to be aware of today. God Bless!

God Bless,
Roy Verstegen

Armand Brunelle Webinar

Armand Brunelle, Manger of Gabriel Software, would like to meet with the Parish staff. He would like to present new features that are available in Gabriel, and answer any questions you have about the software.

If you have questions, but are unable to attend any of these dates and times, please submit your question in writing to rverstegen@gbdioc.org and we will make sure it gets an answer. We will be recording many of these sessions and can make them available if needed.

We have setup 6 different Zoom meeting dates and times to keep the audience small and interactive. Please pick one date listed to the right.

Mark your Calendar with 1 of these dates and times. There is no need to Register, just join the webinar.

Parish Reports

How is it going with your Parish Report? Each Parish has an obligation to report certain statistics to organization such as the

Vital Statistics	2018 - 2019	2019 - 2020	(Please fill in figures from
Registered Units:	672	488	July 1, 2019 - June 30, 2020.)
(Number of families or single households)		405	
Contributing Units:	398		
(Those who contribute $100 or More/Year)			
Infant Baptisms:	41	18	
Adult Initiation:	0	0	
(Includes baptism, confirmation, eucharist)			
Received Into Full Communion:	2	2	
(Received into the Church during the year, but had been baptized in another Christian Tradition)			
First Communions:	29	36	
Confirmations:	2	3	
Catholic Marriages:	4	5	
Interfaith Marriages:	0	1	
Deaths:	11	18	

USCCB, IRS, Kenedy Report, and the Vatican. The Parish Report helps to fulfill this obligation. There are three reports in the report library that can help you gather accurate statistics for your Parish Report.

1. Sacrament report – This report will display all the sacraments recorded in Gabriel for the time frame the Parish defines. This report is designed to be compared to the sacramental registry book.

2. Registered Family report – This report will display a count of registered families by family status for each Parish. This information can be important if the Parish has a registered family with a Family Status of deceased. A Family status of deceased means all members of the family have passed away. This gives the Parish the ability to go into Gabriel and correct the Family status or unregister them whatever is more appropriate. This will give the Parish the ability to quickly give an accurate count of registered families and correct ones that need to be corrected.

3. Contributing Units report – This report will display a count of Registered Families that have contributed $100 or more in the time frame the Parish defines.

Office of Information Technology

The Office of Information Technology provides support and development for technology infrastructure needs within the diocese.
