Gabriel Updates

News and updates for all those who use Gabriel Software in their ministry

Diocese of Green Bay

August 18, 2020

Good Morning!

It has been too long since our last Gabriel Updates. We have plenty of items to discuss with you about Gabriel, we are just working out the details on some of these projects we have on the Trello board. We thought we would send out a reminder of the two webinar dates we have setup with Armand Brunelle. Please join us at one of the webinars and you can talk directly with the man behind Gabriel Software.

Feel free to check out the Trello board to see what we are working on.

Armand Brunelle Webinar

Armand Brunelle, Manger of Gabriel Software, would like to meet with the Parish staff. He would like to present new features that are available in Gabriel, and answer any questions you have about the software.

If you have questions, but are unable to attend any of these dates and times, please submit your question in writing to rverstegen@gbdioc.org and we will make sure it gets an answer. We will be recording many of these sessions and can make them available if needed.

We have setup 6 different Zoom meeting dates and times to keep the audience small and interactive. Please pick one date listed to the right.

Mark your Calendar with 1 of these dates and times. There is no need to Register, just join the webinar.
