REPORT SEXUAL ABUSE

To confidentially
and anonymously
share your concerns,
visit **GBDIOC.ORG** and
CLICK ON THE BUTTERFLY.

By working together, we can help prevent incidents from occurring and ensure the safety and security of our parish and school communities.

Awareity is a comprehensive platform for reporting, tracking, and documenting incidents and concerns, making it simple and confidential to share red flag behaviors such as: sexual abuse of a minor (if this is currently taking place, immediately call 911 to report), harassment, boundary issues, threats of violence, and concerning behavior by clergy, staff, or volunteers.

The goal of Awareity is prevention and to help identify red flags and warning signs before an incident occurs or escalates.

This is not an emergency reporting system. If this is an urgent matter, please immediately dial 911.

REDEMPTORIST RETREAT CENTER
REST • REFLECT • RENEW

WHY MAKE A SPIRITUAL RETREAT?

A retreat is for those who:

- ...want to become closer to Jesus
- ...want to have a better prayer life
- ...have been away from the church
- ...want to overcome a personal problem
- ...want peace of mind and heart
- ...seek guidance in their spiritual journey

A retreat will help enhance your spiritual life, and if necessary, put you right with God. What God wishes us to know about our spiritual life is already within us.

Retreats are for discovery, to open oneself to the Divine Presence...

JOIN US FOR DISCOVERY

We offer day programs and weekend retreats for individuals, married couples, and church groups, deacons, women and men religious. Retreats exclusive to men and/or women are also scheduled throughout the year.

At the Redemptorist Retreat Center, you will find amenities and services designed to quiet the mind and refresh the soul.

CHANGING HEARTS AND MINDS TO FAVOR LIFE

L!fe | WISCONSIN
RIGHTTOLIFE

Wisconsin Right to Life believes that each human life is inherently valuable from fertilization to natural death. Our mission is to make euthanasia, infanticide, abortion and the destruction of human embryos socially, ethically and legally unacceptable solutions to human problems, and to promote positive alternatives to each of these acts.

For over 50 years Wisconsin Right to Life has been 100% committed to saving lives. Our vision is to touch hearts and minds so that all will cherish human life. Through our five point power strategy, each day we work to create a society in which every person's right to life is secure:

Strategic + Comprehensive Educator

Reaching abortion-vulnerable women via TV and Digital Media messages

Premier Youth Trainer

Strengthening students' pro-life convictions via leadership training and college grants

Legislative, Legal, and Electoral Force

Supporting life-saving legislation and pro-life lawmakers via collaboration with renowned legal experts

Internet + Social Media Innovator

Sharing critical pro-life information via strong web and social media resources

Grassroots Giant

Empowering others to save lives via a growing network of regional chapters
